You can also manually create your drive or use the "Quick Mount" button No mere disc emulator, DAMON Tools Lite has four main features.. Unlike most alternatives, the software also lets you preview and copy the virtual discs you create.. If you need to read image file formats, copy a disc, burn a CD or DVD but your notebook or laptop has no physical disc drive then DAEMON Tools Lite has some interesting edges over alternative virtual emulators.. Another neat feature is "Catch": an optional add-on for iPhone or Android device to easily share ISO files between your laptop and mobile.. The latest version DAEMON Tools Lite 10 11 can emulate up to four drives at a time and works with most image formats. [Westinghouse Tv Software Download](#)
